

CQ-1 Series Safety Suitcase

“Tri-Anti” Function with 30-50KV electric shocking

CQ-1 series safety suitcase case is a super suitcase for security with Tri-Anti functions, such as special anti-theft & anti-robbery with 30-50KV high voltage electric shock covering the surface overall, it can be widely used for carrying and keeping cash, jewelry, confidential documents and valuables. It is the good friend and reliable guard for numerous persons to execute official and business affairs as well as the true bodyguard of individual properties.

Basic Function

- It can emits high-voltage pulse electric shock from all direction of the surface for protection, The high-voltage pulse output power voltage exceeds 30-50 kV.
- It has the function of remote radio control. You can turn on or off the switch at random by radio control remotely. the customer can choose the most effective and safe function for defensive when fall in dangerous
- It has the Tri-Anti functions of “Anti-lose”, “Anti-theft” and “Anti-robbery”.

Anti-lose function:

“Anti-loss ” is a unique special function of CQ-1 series super safety suitcase cases. When traveling, In order to avoid being stolen or forgotten, you can set the suitcase on “loss-proof” function, and bring the remote controller with you. Once the distance between you and the suitcase exceed 3-15m, alarm will ring automatically to remind you. If you find your suitcase was stolen, set “Anti-robbery” function to force the thief to leave it.

Notice: “Loss-proof” function can become effective only on condition there’s one safely suitcase.

Anti-theft function:

On “Anti-theft” mode, both the sound alarm and whole surface high-voltage pulse electric shock will simultaneously effect. The sound level exceeds 85db; electric shock power voltage exceeds 30 kV.

When you need to go far from your suitcase for settling other business, you shall just set it on “stealing-proof” model, bring the remote controller with you . In case the

robber or thief touches any place of the suitcase, alarm will ring and electric shock will effective. Even the master is absent, the robber and thief can do nothing to his goods.

Anti-Robbery function:

On “Anti-Robbery” mode, one being robbed, both the functions of sound alarm and whole surface high-voltage pulse electric shock will become effective at the same time. The sound volume exceeds 85db and electric shock power voltage exceeds 30kV. Remote control distance exceeds 50m.

If you are threatened by the robber, for protection, you shall give it up first, Once the distance between you and the robbery within 50m, you can set “anti-robbery” mode by the remote controller. Alarm will ring and high-voltage electric shock will take effect, which can force the robber to leave it and ran away. This function can protect the safety of you and your articles under such bad robbery situation.

Technical Specifications

- Anti-losing (“loss-proof”) effect distance 3~15M
- Anti-robbing (“robbery-proof”) longest effective distance: 50m
- Electric shock high voltage pulse power supply>30KV

- Alarm sound level>85dB
- Power supply:
 Transmitting remote box: 1 type 23A battery with 12V voltage
 Alarm electric shock device: 6 size-2#(type C) super alkali batteries with 7.2-9V voltage (CQ-1-2, CQ-1A-1, CQ-1A-3), or chargeable batteries (CQ-1-2b, CQ-1A-1b CQ-1A-3b only)
- Case Body
 Double code-lock,
 Dimensions: 47*35*10cm (CQ-1-2/2b, CQ-1A-1/1b)
 47*35*18cm (CQ-1A-3/3b)
 Material: genuine leather (CQ-1A-1/1b, CQ-1A-3/3b)
 PU Leather (CQ-1-2/2b)

Facility combination:

- Suitcase Body 1 piece
- Alarm electric shock box 1piece (in suitcase)
- Remote Controlla 1 piece
- Rechargeable battery and Charger.
 1set (CQ-1-2b, CQ-1A-1b and CQ-1A-3b only)
- Operation manual 1set

Series Protcts:

Model	Size	Battery and charger	Material
CQ-1-2	47*35*10cm		PU leatheroid
CQ-1-2b	47*35*10cm	With Chargeable Battery & Charger	PU leatheroid

CQ-1A-1 47*35*10cm

genuine leather

CQ-1A-1b 47*35*10cm

With Chargeable Battery & Charger

genuine leather

CQ-1A-3 47*35*18cm

genuine leather

CQ-1A-3b 47*35*18cm

With Chargeable Battery & Charger

genuine leather
